ABOUT YOUR DOG — Animal Officer John Sawers has to find at least four valuable dogs recently. It worries him that families will buy them inbred and keep them in without their collars. That's why your dog slips out may be the last you'll see of him because he is without identification. People see such a pet and pick him up. So, take your dog from John and be sure your dog is wearing collar and

DE MARTINI and Michael were pleased with the event at the evening for the Dimes Sunday. Last year's total bar card receipts were \$316. Joe raised \$500 at the O-Dee club this year. He was responsible for the food and it turned out he was serving his own pickled olives, tomatoes and hot peppers. Several of the gals were busy making their recipes. The buffet was simply gorgeous, and the food was as good as it looked.

IF YOU'RE CIVIC-MINDED, you'll attend the meeting with Mayor Herman Ruth at City Hall at 8 p.m. Thursday night to show up at the ground breaking for new civic buildings Sunday at 2.

Variety of Subjects On City Council Agenda

Albany City Council Monday night reinstated \$1,200 eliminated from the Chamber of Commerce budget last budget session, raised the salary of the assistant librarian, unanimously passed six resolutions and continued discussions of taxicab permits and the Lucky 13 club.

The Chamber of Commerce appropriation was unanimously approved with the addition that each expenditure of the funds be approved by the board of directors. After an allocation of \$4,700 last year, the amount had been reduced to \$3,500 this fiscal year. The Chamber requested reinstatement of the difference in order to sponsor civic projects.

Assistant Librarian Ruth McNair's salary was increased from \$382 to \$414 monthly, effective March 1. This request was by the Library Board and brings the position in line with other salaries paid by the city.

Civics Class
The audience Monday night was primarily composed of the Albany Adult Education civics class. Resolutions approved concerned authorizing execution of an agreement between city, state and the department of public works to provide transfer of properties which were part of the original agreement on the Buchanan overpass; naming Councilman Richard Clark the city's representative to the Economic Opportunity Agency (Councilman Joseph Egenberger was elected alternate); authorizing the city to contract with Alameda-Contra Costa County for library services; congratulating local Freedom Foundation award winners Tom Conroy and A2C Troy A. Lyon; appointing Sarah Brockway city clerk's stenographer, and going through the formalities of budgeting gas tax allocations.

Henry Brock of Rainbow Cab company was granted a temporary permit to operate a taxicab

service following prior approval by Police Chief Ralph Jensen. This and a letter from Naomi Torres expressing her disapproval of Council denial of a permit to Patron Services cooperative last week (see separate story) opened the subject of cab permits once more.

Councilmen Joel Parker, Clark, Lewis Howell, Egenberger and Mayor George Hein took issue with portions of the letter from Mrs. Torres. After much discussion, Council filed the letter and asked Administrator James B. Turner to check on how permits are handled in other cities.

Proclamations
Mayor Hein was authorized to proclaim March 1-7 Naval Reserve Week and May 8-16 Armed Forces Week. Council referred to the chief of police and traffic engineer a request from Discount Paint Palace for a 24-minute green zone at 926 San Pablo.

Planner Ruth Here Again Tomorrow

Planner Herman Ruth of the firm of Ruth and Khrushkov will attend another in a series of weekly meetings to discuss Albany's proposed general plan at 8 p.m. Thursday, March 4, at City Hall.

Members of the City Council, Planning and Zoning commission and interested citizens are urged to attend the meeting and make their wishes known.

As Ruth has said, "When this is completed, it will not be MY plan. It will be the plan of the people of Albany."

Editorial

Albany was founded by pioneers with fortitude and courage. Always they have looked at their city with pride.

This Sunday citizens of Albany will take another step forward for the heritage of future generations when the gold shovel breaks the ground for a new Civic Center.

After years of frustrating attempts to secure right-of-way for the long-planned Marin extension and Buchanan overpass, city officials cut through the red tape, closed the deal and the extension and overpass are now a reality, leaving the prime site for city buildings available at long last.

Now the City Council and a large group of businessmen are moving ahead with plans for new street lights. If the accomplishments of recent months are any indication, Albany's main thoroughfares, Solano and San Pablo Avenues, will be lighted.

Albany is again coming to grips with its problems and saying, "Let's do it!"

Sunday will be an exciting time, historically speaking, for the City of Albany.

World Festivals Program Combined with Breakfast

The five Parent-Teacher associations of Albany will again present "Family Festivals Around the World" on Sunday, March 14, in the Cornell School auditorium. Held in conjunction with the American Field Service pancake breakfast, the local PTAs have chosen this time to honor the students who have or are participating in the Field Service program.

Family Festivals of the World will present not only the traditional holiday displays of our country, but there will be a Christmas tree and Santa Claus, old fashioned Valentines, and Thanksgiving turkeys, and will also present an opportunity to see a Chinese Moon Festival, display of Japanese boy dolls, table displays of colorful artifacts and household objects from many countries of Europe, Asia, Africa, South America and Mexico.

Refreshments will be served during the afternoon. The displays will be open to the public and all are invited to attend.

Five Directors Elected to Chamber of Commerce

Five of a slate of 10 candidates for the Board of Directors of Albany Chamber of Commerce were announced winners by the election committee, who opened ballots early Tuesday.

Successful candidates were Elmer Coble of Jim Woulfe Ford; Dr. Arthur Longpre, optometrist; Barry Rannion, Jr., attorney and chairman of the Art Show and Merchants' Bazaar; Ingraham (Bud) Read, MacGregor Homes; and John Peich, Flowerland Nursery.

Council Denies Cab Permit Application

Albany City Council on Feb. 23 denied an application by Patron Services cooperative to operate a permanent taxicab service in the city.

The vote was 3-1 with Councilman Joel Parker abstaining, although he said during the discussion that he felt denying the permit would be wrong because it would limit competition. The vote was Mayor George Hein, Councilmen Lewis Howell and Joe Egenberger to deny and (Continued on Page 5)

High School Band, Legion Color Guard Gold Shovel for Sunday Ceremonies

Groundbreaking ceremonies for new civic buildings at the site bounded by San Pablo, Marin and Buchanan will begin at 2 p.m. Sunday afternoon with the actual groundbreaking to be done by Mayor George Hein wielding a gold shovel about 2:30.

Albany High School band will be out in force to entertain the anticipated large gathering. Colors will be advanced by the California State Champion Drill Team from American Legion post 192 of Albany.

A stage will be set up on Buchanan, which will be barricaded for about two hours that afternoon. Various display areas are being set up by Dr. Arthur Longpre, one in the future location of each building. Here visitors may view the plans, ask questions of the city employees, policemen or firemen stationed there, and visualize the structure through white lime outlines of the buildings.

Free coffee and cookies will be served by municipal employees. Albany Moose lodge 1972 will serve soft drinks under the direction of Civic Affairs Chairman William A. Miller.

Police Chief Ralph M. Jensen will be master of ceremonies. He will introduce Senior Councilman and Vice Mayor Lewis M. Howell, who will in turn present Mayor George Hein and Citizens Committee Chairman George Vila, each of whom will speak briefly before the actual groundbreaking.

Fire Chief Gerald D. Browne has painted the signs now on display at the site and painted the novel gold. It is to be inscribed with the date and kept on permanent display in the new buildings.

Recreation Director Bud Rooney has planned the souvenir programs and stage decorations.

The program will be held, rain or shine, according to members of the committee planning the historic event. Everyone in the city is invited to attend. There is plenty of parking.

The committee, which Mayor Hein has invited to remain intact to begin preparations for the opening of the new buildings (some time in December), includes Howell, Hein, Jensen, Rooney, Browne, James B. Turner, Vila, Dr. Longpre and H. F. Call.

Albany voters approved the \$670,000 bond issue for new civic buildings last April. Two previous bond proposals failed to attain the necessary two-thirds of voter approval in 1958 and 1959. The vote last April 14 was 4,105 for the issue; 1,397 against.

Promotion Committee Conducted Bond Campaign in City

Although countless individuals and organizations were enthusiastic backers of the proposed city building bond issue early in 1964, the official committee in charge of promoting the measure coordinated all activities, accepted funds and made decisions on how to best use them.

George Vila was chairman of this special committee. Members included Edith Sheriff, Richard McSheehy, James B. Turner, Barry Rannion, Jr., W. A. Miller, Shirley Parr, Joe Carlevaro, Dorothy Larimer and Johnnie Grisham.

Safeway Increases Size of Bread Loaf—Not Price

Safeway Stores, Incorporated, have announced that effective March 1 all Mrs. Wright's and Skylark breads have been increased in weight but not in price.

Present state law requires standard loaves of bread to be labeled with minimum net weights of 15 ounces or one pound, six and one-half ounces, but Safeway loaves will weigh one full pound or a full one and one-half pounds.

New packaging will have large labels at both ends of the loaves clearly indicating the correct net weights, Gus H. Parker, San Francisco division manager, said

Dagna's Market Begins 33rd Year

Dagna's Market at 1382 Solano, "The nice Store for Nicer People," begins its 33rd year of operation at the same address today.

Opened by Joe and Mary Dagna in 1933, it was small by today's standards but considered large when it opened. The couple and their only child, Joe, Jr., lived on Ramona right behind the store. Mr. Dagna died in 1958. His son, an active civic leader in Albany, took over the management.

The store has been expanded and modernized and a large parking lot added at the rear of the

building. A specialty, originated by the elder Mr. Dagna, is fine cheese. In the past year, Joe took over the meat department, retaining Ed Sillanpaa as department manager.

Dagna's is noted for its top quality, service, fresh meats and "Top o' the Crop" produce. It also features the finest brands of merchandise and other related food products, liquors, magazines and sundries.

Many of today's customers are original Dagna shoppers along with their children and grandchildren.

"We are proud to have been associated with Albany all these years," Joe Dagna said. "We try not only to serve the community as a retailer, but as a participant in community activities. We have a strong loyalty to civic efforts that help to make Albany a better place to live and shop."

"On this anniversary I would

like to thank our wonderful customers for helping us celebrate this event."

(Dagna's has been a Times advertiser almost from the beginning. The Times would like to add its anniversary congratulations to those of the business community of this city.)

Albany Lab Scientist Wins Award

Dr. Allen G. Pittman

Dr. Allen G. Pittman, chemist engaged in research on wool improvements in the U.S. Department of Agriculture's laboratory in Albany, has earned the Department's Certificate of Merit and an increase in salary for outstanding work.

The award recognizes "out- standing research on new fluoro- chemical finishes for textiles." To most people a familiar fluoro- chemical is the nonstick coating on some kitchen ware. Dr. Pittman has synthesized new com- pounds containing fluorine and found some of them economical and effective for imparting soil and shrink resistance to wool fabric.

Dr. M. J. Copley, Director of the utilization research center in Albany, presented the award at a staff meeting. Dr. Pittman's studies are part of the center's extensive program on wool and mohair, which recently produced a superior and now commercially used treatment permitting machine laundering without shrink- age.

Dr. Pittman and Dr. W. L. Was- ley recently received an award from American Association of Textile Chemists and Colorists for their report on fluorochemical finishes. It was judged the year's best report on textile finishing. Dr. Wasley is in charge of a group engaged in research on chemical finishes for wool and mohair.

Dr. and Mrs. Pittman and their children live at 2006 Carquinez Ave., El Cerrito. In 1962 he came to the U.S. Department of Agri- culture from the DuPont Com- pany, where he conducted re- search on fibers and plastics. He holds a doctor's degree in chem- istry from the University of Texas, and is a native of that state.

Wampum bearer with the In- dian name of "Long Bow" is David White. His son, Mark, is "Straight Arrow."

"Bear Foot" is Richard Baker, and his son, Frank, has been named "Little Bear." Harry Lawrence is "Big Eagle"; his son, Micah, is "Little Eagle."

Fathers and sons use their In- dian names only at tribe meet- ings.

Three additional Indian Guide tribes will elect their chiefs this week.

ALBANY YOUNG PEOPLE RAISING MONEY FOR TRIP TO MEXICO

Richard Schaefer and Andrea Wolf of Albany have been sing- ing up a storm since they joined the Cal State College Singers.

The College Singers, from Cali- fornia State College at Hayward, presented a 15-minute program at the opening of the 1965 Cali- fornia State Legislature Jan. 4, under the direction of Dr. Lee Kjelsson, professor of music.

This important performance climaxed a busy holiday season for the singers, who besides per- formances in concert during the Christmas season, were also heard and seen on radio KGO and KKKH, and television stations KPIX and KTVU.

The North American-Mexican Institute of Cultural Relations in Mexico City has invited the Col- lege Singers of California State College at Hayward to come to the Institute for a performance March 21-27.

Other performances in Mexico City are scheduled in the large

inter-denominational Union Church and tentatively at the Pal- ace of Fine Arts, through the co- operation of United States Am- bassador Fulton Freeman.

Andrea and Richard will be with the California State Col- lege Singers when they appear on KTVU-Channel 2 at 9:30 p.m. this Saturday, March 6. The show will preview music they will be sing- ing in Mexico City. It is also their way of saying thanks to those who have donated to the trip to Mexico.

The College Singers will com- bine with the Cal State Band and two community choirs perform- ing a benefit concert March 10 at Hayward High School. Ad- mission is \$1.50. Tickets may be purchased from Schaefer at the Albany YMCA. All proceeds go to the Mexico City trip.

Andrea and Richard both ex- celled in music when they at- tended Albany High School. An- drea received the vocalist trophy; Richard, the John Philip Sousa band award.

Both Richard and Andrea would like very much to accept the invitation to perform in Mex- ico City. It would be a wonder- ful privilege to represent their college and area in Mexico City.

Substantial funds are needed quickly if this trip is to material- ize during the week of March 21-27. Since housing and meals are already assured, achieving the \$9,000 necessary for round trip air travel and incidental expenses represents the major hurdle.

Those willing to financially assist the College Singers in their proposed trip to Mexico City, may mail a check to:

Champlin will deliver the same speech, "Our Constitution and What It Means To Us," which recently won him a Freedoms Foundation award. The speaker will be introduced by Charles H. Lavis, Regional Director of the CRA 14th Congressional District.

There will be a brief question and answer period following Champlin's address.

A very special spring luncheon to honor Mrs. Mary Ann Barton, Junior Past Guardian, and Ron- ald Shattock, Junior Past Asso- ciate Guardian, has been sche- duled to precede the regular meeting of Albany Bethel 265, International Order of Job's Daughters, at 12 noon Saturday, March 6, at Albany Masonic Temple.

Special invitations have been extended to Past Honored Queens, Past Guardian Council members and others who were closely associated with the hon- ored couple during their years of active affiliation with the orga- nization.

SENIOR CITIZENS

846 Masonia

By Emma Claymore

Seniors entertained Pre-school youngsters Wednesday, Feb. 24, with a dog show. Mary Culley was present with her two toy poodles, Cozy and Tweety, and put them through their various tricks. It was hard to tell which got the most enjoyment out of the show, the youngsters watching the dogs or the oldsters watching the looks of delight on the faces of the children.

The dinner trip to San Francisco to watch the New Year's parade in Chinatown was a new experience for many of the seniors. Needless to say they enjoyed it very much since they were fortunate in having good seats with an unobstructed view.

Do not forget the fashion show being held at the Albany Theatre for the benefit of the March of Dimes on March 18. Here is your chance to help a worthy cause as well as treating yourself to a good movie. You might also be lucky and win a beautiful door prize. Tickets are \$2 and may be purchased at the theatre or Minnie Ingraham will be glad to

sell you one at the Center.

The Community Service workers have just completed the task of addressing and stuffing over a thousand envelopes for the Red Cross and are now busy with work for the Cystic Fibrosis Foundation. This work is done on Fridays from 10 a.m. to 5 p.m.

Craft classes are held Wednesdays from 10 a.m. to 5 p.m. The Center is open five days a week but is closed on Saturday and Monday. The program for the month of March is displayed on the door of the Center. For information, call Buelah at 526-1601.

Adult Fare Announced For Albany Theatre

Albany Theatre is showing this week an Academy Award winning Billy Wilder show, presenting his hit show of 1963, "Kiss Me Stupid" in color, starring Shirley MacLaine and Jack Lemmon, and filmed in Paris. Also on the bill will be his latest and most controversial comedy, "Kiss Me Stupid," starring Kim Novak and Dean Martin.

The subject matter and presentation of "Kiss Me Stupid" is offered by Billy Wilder as "adult fare" and the film company asks that persons under 18 not be sold tickets unless accompanied by their parents or an adult. Hence this will be the rule during the showing of "Kiss Me Stupid" for one week.

On Saturday and Sunday afternoons there will be approved matinees for children. The theatre will be cleared of young people at end of both matinees, which will be Van Johnson and his dog star, Kelly, in a picture highly praised by all parent groups, "Kelly and Me" in color, plus "The Three Stooges In Orbit," a feature-length film.

Albany Camera Club Opens New Year of Activities

February heralded the beginning of a new year of activities for the Albany Camera Club. A very successful year under the former aegis came to a climax at the annual banquet with the awarding of trophies and ribbons to top color-slide winners and the installation of 1965 leadership.

At the helm, guiding the course and destiny of this active local group, will be Karl Dahlen, president; Elmer Nelson, vice president; Dorothy Mae Gibbs, secretary; Marjorie Stott, treasurer; board members, James Shepard (past president), De Vore Watt, Carl Waters, Harold Ekenberg, and Al Haven. Clement Ralph and Karl Dahlen will represent the club at the Northern California Council of Camera Clubs.

High point honor winners for 1964 were: Elmer Nelson, salon (Gersh trophy); and "Specials" (Palmer trophy); Tiny Haven, advanced (BBB trophy); and Margot Ralph, amateur (American Legion trophy).

Joseph Dubiner, Art Napoleano and James Nicholson, Northern California artists and judges, chose the following slide-of-the-Year winners, with trophies for first place and ribbons for the

next four places. Amateur: Roy Harford (Bob and Mabel Nelson trophy), Floyd Gilman, Margot Ralph (2), and Karl Dahlen; Advanced: Carl Waters (Lennox trophy), Tiny Haven, La Verna Shepard, Harold Ekenberg (2); Salon: Ernest Upson (Ellis-Olson trophy), Lillian Malm (2), Eldon Spencer, and Elmer Nelson; Specials: James Shepard (Alice Anderson trophy), Elmer Nelson (3) and Lillian Malm.

Contributions are pouring in so rapidly for the "Ruben Snyder Projector Fund" that Albany Camera Club will soon be boasting of a superior piece of essential equipment.

Bay Crossing Engineers with respect to the second bay crossing. These studies were completed some months ago and clearly indicate that the present bay bridge would be at full capacity at the end of this year.

Further, their studies indicated that a second crossing with termini at Potrero Point and Alameda would divert 20 per cent of the traffic presently using the Bay Bridge. To construct a crossing from Sierra Point to Roberts Landing would only divert five per cent of the traffic at best.

The Toll Bridge Authority, of which the Governor is chairman, continues to delay coming to a decision on this matter. At the present time they are considering a new west-bay terminus farther south.

In the meantime, construction costs continue to increase until now it is estimated it will cost \$200 million to construct a new crossing. There are indications of further delay. Since the Bridge Engineers have made their recommendations on the basis of sound engineering and of need, for the Toll Bridge Authority to act otherwise, in my judgment, would be purely political.

This important, expensive, and badly needed facility has been studied to death! The entire Contra Costa County is unanimous in their support of the recommendation of the Engineers. The majority of the people in Alameda County, particularly Oakland, Albany, Piedmont, etc., have expressed their approval of the Engineers' recommendations.

These expressions represent the majority of the people who use the bridge and also those who have paid for the present bridge through tolls that will also pay for the second bridge.

It is time for action! The need is urgent and will shortly be critical; I call on the Governor and the Toll Bridge Authority to stop vacillating and come to a decision at the next meeting.

KENT D. PURSEL
Supervisor, Fourth District
Alameda County Board of Supervisors

Back in February, 1963, a dedicated group of Albany citizens, appointed by the City Council as a citizens' committee for new city buildings, met for the first time.

The attitude was one of, "Let's get this show on the road."

George Vila was elected chairman. The steering committee included Jerome Blank, Virginia Moody, Robert Hughes, C. F. Graeber, Dorothy Larimer, Marjorie Ferreira and Clement Toon. Patricia George was elected secretary.

William A. Miller was named chairman of a sub-committee on financing. Committee members were Mrs. Moody, John Hardin, Vincent Briganti, Lloyd Hogan and Blank.

Toon headed the sub-committee on new construction. His fellow workers were Vila, George Collier, Peter Noe, Irene Devroy, Bruce Stark, Tiny Kampe, Mrs. Ferreira, James Sturgeon and Briganti.

Hughes headed the committee to look into possibilities of reconstruction. Others who helped make the decision it would not be a good idea were Mrs. George, Graeber, Mrs. Davenroy, William McKenna, Briganti, Austin Angell, Joseph Cravatto and C. Eddie Johnson.

Graeber's committee was to study sites. They selected the triangular site to be cut off when the Marin extension went through as choice No. 1. Others on the committee were McKenna, J. B. Saylors, Frank Costa, Mrs. Davenroy, F. H. Branning, Virginia Blume, Charles Lewis, Mrs. Larimer and Briganti.

The Council accepted the advice of the committee, authorized studies, and, on Feb. 3, 1964, voted to place a \$670,000 bond issue before the voters last April. Many of the original committee assisted in promoting the bond issue, which passed by a comfortable margin.

Councilman Richard Clark opposed to denying the permit.

Howell and Egenberger said there is not enough business for taxicabs now having permits in Albany, that it is time to decide how many permits should be issued in the city. (Yellow Cab has six permits; Arrow, four; Veterans', two; Red and White, three, and Albany Cab, one. Four temporary permits have been granted for racing season, including two to Patron Services cooperative.)

Those speaking for denial of the application were Bert E. Lanthier, general manager of Yellow Cab, Oakland; O. R. Sargent, manager of Veterans' and Red and White Cabs, Richmond, and H. H. Scott of the Teamsters Union.

Those speaking in favor of granting the permit were R. E. Schneider, manager of Patron Services cooperative; Mrs. Naomi Torrez, R. G. Buckwalter, Mrs. J. R. Bartlett and Fenton Hughes. Many were other companies, including long waits. Others said they could use this company coming to Albany but could not call it to pick them up here unless they had a permanent permit.

Councilman Clark was named Council representative to the Economic Opportunity Agency.

Council authorized City Attorney Larry Saler to prepare a resolution to permit Albany City Library to enter into a contract with Alameda-Contra Costa County Library Cooperative system for services for the coming year. It referred to Saler the matter of making the librarian a department head.

Acting on the advice of Administrative Officer James B. Turner, following opening of bids for trimming of trees on Marin, the contract was awarded to Howard Anderson of Oakland for his low bid of \$19.50 each or \$1,170 for the 60 trees. A resolution will be prepared.

Another complaint about noise from the Lucky 13 club was discussed. Councilman Joe Egenberger said he had received a call early Saturday complaining of the noise bothering residents on Kains. He went to the area and "I had to strain to hear anything from the Lucky 13." Parker said he had had the same experience on two Wednesday nights and believes most of the noise has been abated. Reports from the police and Mayor Hein supported this stand.

New Deadline

Reversing previous action concerning forfeiture of deposits on plans and specifications for new city buildings not returned within five days, Council set a new deadline of March 15. Contractors returning the plans by this date will have their deposits refunded, although Turner reported that at least one contractor had destroyed the plans upon learning he had to forfeit the deposit.

Council was informed that the Division of Educational Administration at the University of California has selected Albany as a city to study attitudes on bond elections, considering it "very unusual" that Albany passed two issues in 1964. The letter commended the Council and School Board for their successes, informed Council that questionnaires will be mailed to a random sampling of registered voters and results will be available later to the city. Mayor Hein was asked to write to the division expressing official thanks for the honor and requesting a copy of the report.

Employment in Albany alone indicates that Albany is primarily a residential community with limited work opportunities. The most recent figures for Albany alone are for July, 1962, and include only employment in firms with 10 or more persons (those covered by state unemployment insurance). Wholesale and retail trade was the most important employing group with a total of 400 employees. Government was a close second with 350. Both of these groups added up to more than 50 per cent of the Albany employment force.

Next week, we will cover the Retail Commercial Report compiled by Ruth and Krushkhov.

The Chamber of Commerce urges all interested businessmen and citizens to attend the next meeting with the Planner a City Hall tomorrow night, Thursday, March 4, at 8 p.m.

way. Ralph Jensen is Albany March of Dimes chairman, but he is commentator for the Soroptimist show. Hal Denham will be master of ceremonies and Nora Hampton commentator for the Dimes show. They'll both be fine fashion shows.

OOPS! Last week we reported that three of the five members of the Albany Library Board were PTA Honorary Life Members. Now comes Eleanor Miller, also a member of the board, to report that she, too, has been so honored. This leaves Phyllis Lyon, really only a youngster, as the only board member who has not received the life membership.

GROUND BREAKING

The Albany High School band will play at the ground breaking ceremonies for Albany's new city buildings next Sunday, March 7, at 2 p.m.

The band will perform the National Anthem and other appropriate patriotic music for the ceremonies at the site of new buildings, corner of San Pablo and Marin in Albany.

Cub Pack 3 Holds Blue And Gold Dinner at Marin.

Cub Pack 3, Marin School, held its annual Blue and Gold dinner recently. Tables were decorated by Cubs and Den Mothers. After the dinner, enjoyed by more than 150 people, Cubs and their families went upstairs to the auditorium for the pack meeting. The meeting was opened by the Flag Ceremony led by Den 2. A skit was performed by Den 3. Awards were given to Cub Scouts Scott Wall, Phillip Alferness, Bob Nichols, Kevin Westbrook, Jim DeJong, Mike Ster-

lino, Donald Ward, Kenneth Elmore, Colin Turner, David Nelson, Robert Innes, and David Okawachi.

Three Cubs advanced into the Webelos Den were Colin Turner, Donald Ward, and Kenneth Elmore. Four Cubs graduating from the pack were Kenneth Ball, Dana Wolf, David Nelson and Michael Van Eckhardt. Two new boys becoming Bob Cats were Danny Flavin and Bobby Cordero.

Present Den Mothers were thanked for their stints. They in turn gave ties and their Dens to new Den Mothers. Present Den Mothers are Mesdames Ann Nelson, Jan Wall, Marie Marra, Joyce Onweller, Jewel Okawachi, Barbara Sterlino, and Dolores Nelson. Mrs. Ann Nelson will continue as Den Mother. Other new mothers are the Mesdames Laura Potts, Madeline Burton, Marjorie Hoffman, Doris Jacobson and Iola Alferness.

Pack 3 participated in Boy Scout Week. Wolf Cub Kevin Rivard was a Color Guard at the Albany Council meeting Feb. 8, when the Boy Scouts staged a mock meeting for Scouts in government. Pack 3 also won a proficiency award, class B, for the window display at Key Publishing Co. on Solano Ave.

Cubs were asked to round up new boys to join the pack as there is plenty of room for boys and willing parents. Anyone interested can contact the committee chairman at 526-8842 or the Cubmaster at 524-7156. Pack meetings are every third Friday of the month, 7:30 p.m., at Marin School auditorium. These are open to the public and visitors are welcome. The Cubs were also asked to get out and sell their pancake breakfast tickets. The breakfast is Saturday, March 6, at Marin cafeteria, 7 a.m. to 12 noon; 50 cents for children and 75 cents for adults.

Shop at home for your own sake and community progress.

EIGHTH ANNUAL SCIENCE FAIR WEEK OF MARCH 8

The eighth annual Albany Schools Science Fair will be held during the week of March 8 in Cornell School auditorium, 919 Cornell Ave.

More than 250 Albany high school and elementary school students will display the result of the science study and research in exhibits and projects.

Judging of projects will be Monday, March 8. The auditorium will be open to the public on March 9, 10, and 11 from 9 a.m. to 4 p.m. and 7 p.m. to 9 p.m. in the evenings (with the exception of Friday which will be from 9 a.m. to 12 noon). Parents and interested citizens are invited to attend.

The purposes of this science fair are to take advantage of the natural curiosity of youth, to motivate their classroom study of science, and to give recognition to those students who do outstanding work. The starting and completion of such a task and related reading, writing, and mathematical thinking and study are also important experiences for students.

Student projects will be evaluated by teams of judges composed of classroom teachers and scientists from industry and col-

leges. The outstanding exhibits at the high school level will be selected to compete in the Bay Area Science Fair which will be held in the Academy of Science at Golden Gate Park. The Albany Science Fair is sponsored by the Albany Rotary Club and is under the general direction of John Wilson, high school physics teacher and science consultant for the Albany Unified School District.

Bayview Auxiliary Fashion Show Set March 12

Bayview Eagles Auxiliary 2323 will hold a regular meeting on March 9 at 8 p.m. in the hall on Carlson Blvd., in El Cerrito, to discuss final plans for the fashion show March 12.

Kathryn Hightman, chairman of refreshments for the evening, will be assisted by Martha Hollfelder and May Kouns. Games will follow the meeting.

A new member, Betty Dickson, was initiated into the auxiliary Feb. 10 at the Grand Madam President's visitation in Pinole. Twelve auxiliary members attended the affair.

Dog Obedience Classes Open Monthly

Wish your dog would come when you call? Wish he wouldn't bark so much?

Wish he would stay or sit when you tell him to?

If you are having these problems with your favorite pooch, why not give him an education. Enroll him in the Recreation Department's dog obedience class taught by Mary Culley.

A new session begins the first Saturday of each month and continues for four weeks. There are beginning, intermediate and advanced classes starting at 9, 10 and 11 a.m., respectively. There is a fee of \$4 for the four-week session. All classes are held at the Albany Community Center, 1123 Eighth Street.

Enroll your dog soon so that he will learn the fine art of being a good, obedient dog. A good dog is a joy to have around.

MADAY WINNERS

John Medeiros of Maday Meats at Key Foods has announced Feb. 28 winners of groceries: 054062, 054867, 000633, 054824 and 054235. For the drawing March 7, he is offering two dinners for two at the Hickory Pit.

Democrats Plan Shamrock Shindig on March 13

The Albany Democratic Club is sponsoring a Shamrock Shindig at 8:30 p.m., Saturday, March 13. The scene of the party is the same as that of the club's fabulous luau of two years ago—the beautiful covered patio of the home of Mr. and Mrs. Carrington Cook, 508 Balra Drive, El Cerrito.

For the Shindig, the O'Cook's patio will be transformed into a little bit of the Emerald Isle. Even if your mother didn't come from Ireland, there's something 'bout your Irish for everyone is an honorary Irishman on St. Patrick's Day, and every "Irishman"

and his colleen is invited to come for an evening of fun. Party chairmen Dorothy McCain and Ruth Tripodi and assistant leprechauns will provide food, music, liquid refreshment, door prizes, and shamrocks. Tickets for a donation of \$1.50 (or \$2.50 per couple) are available from Bundy Andreani at 525-2765.

Funds raised will be used to send delegates to the California Democratic Council convention this month in Sacramento. The delegates elected at the January meeting are: Al Arnold, Robert Profet, Lou Tripodi, and Ruth Tripodi.

Legion Auxiliary Meets Monday Night

Albany Unit 292, American Legion auxiliary, will meet Monday, March 8, at Veterans' Memorial Building at 8:15 p.m. Antoinette Stallone will present a program on foreign relations. Josephine Lindrooth, president, will preside.

The auxiliary's sewing club will meet March 5 at the home of Mrs. Marion Waters, 1648 Ocean View Ave., Berkeley, at 12:30 p.m.

MORE THEFTS

A San Francisco man reported to Albany police that the shirt, tie and tweed sport coat (including his wallet) were taken from the men's restroom at Golden Gate Fields golf course on Feb. 24. Lee Keck reported the loss of tools valued at \$85 from his property at 623 Cornell on Feb. 23. Villa Motel was the victim of the theft of a TV lamp and bedding, apparently taken by a red-head from El Sobrante who rented the room Feb. 21.

Eye Bank Details Discussed for Soroptimists

Dr. Thomas E. Moore, Jr., who is director of the University of California Medical Center Eye Bank in San Francisco, Wednesday outlined eye surgery procedures, the problem of supply and demand for eyes, and details of how eyes are preserved and used in research at the medical center.

His audience, gathered at Serb's for their regular weekly meeting, were members of Soroptimists International of Albany. Since 1951, the organization has had the eye bank as a project. When Bernice Boyd of Security Savings and Loan became president, she set a goal of a least 100 persons signed up to will their eyes to the eye bank.

Dr. Moore, using a display, showed how a corneal transplant is done, displayed the old-fashioned needle and thread for the sutures as well as the instruments and thread in use today. He said an operating microscope, which magnifies the area 16 times, is coming into use.

Among problems involved in the transplant are preservation of the donated eyes (which must be used within 48 hours for deep transplants or within five to six days if the graft does not go all the way through), matching patients' needs with available corneas ("It is morbid to have a patient sitting around in a hotel waiting for someone else to die") and establishing communication among doctors, hospitals, morticians and the eye bank.

Those who will their eyes to the eye bank are given cards to indicate their desire, which is to be carried at all times. Eye resident doctors are on call 24 hours a day, seven days a week at the eye bank. When they are called, they come to remove the eyes. This causes no cosmetic problem, he explained, because eye caps or conformers are used routinely by all morticians.

The surgery can be repeated many times. Failure can be determined earlier than success, Dr. Moore said. He said they often are not confident of success until about six weeks after surgery. The operation takes 35-40 minutes, in most cases. Depending on the type of disease involved, grafting ranges from 10-15 per cent successes up to 90-95 per cent, he added.

Soroptimists have eye bank blanks for those interested in providing sight for others or they may be obtained at Security Savings and Loan at 1377 Solano Ave.

Susan Stallone will model junior clothing.

The stage will be arranged and decorated by Dorothy Simmons (Simmons Shades) and Helen Johanson (Larson's Bakery). Spring will be in the air with decorations as well as fashions. President Bernice Boyd (Security Savings) and Madelon Kutscher

(Oaks Gift Shop) are planning the table favors. Door prizes will be taken care of by Martha Hoffelder (Hoffelders Jewelry) and Connie Atchley (Albany Tire Service). Flora Musio (Gaeta Realty) is in charge of tickets. Admission is \$2.00. The public is invited to attend, especially male guests are urged to come.

Table decorations are in charge of Helen Fake (Albany High School) and Irene White (Bank of America). They are arranging for a special type of centerpiece depicting spring. The programs, hand-done, are being created by Miriam Gilsenan (Dean of Girls, Albany High School) and Marge Bishop Ackeret (Berkeley Business Service). Refreshments are under the capable direction of Myrtle McLean (City Clerk), Edith Lennox (Lennox Photo Studio) and Althea Ippolito (Gaeta Law Office).

Eleanor Saniuk (Stanley TV) has announced that a stereo console will be given away during the evening, along with many other lovely and valuable prizes. May Ellis Olson (Ellis-Olson Mortuary) has arranged for music during the modeling and for Bill Gillett, who will entertain in a most unusual way.
